Adventurous Journeys

A little Background

AdventureWorks is an Recognised Activity provider of the Adventurous Journey section of The Duke of Edinburgh's Hillary Award.

We offer reliable, safe and well organised events that engage students and leave them excited to carry on to the next level!

All of our events are managed according to our safety management system which is independently audited.

Our instructors are qualified, enthusiastic and fantastic at what they do!

All of our events are supported with a personalised service from our dedicated programme coordinator.

Adventurous Journey Options – Let the Fun Begin!

Our Adventurous Journeys are designed to help students build essential skills while completing **Training**, **Practice**, and **Qualifying** journeys, all while having fun and challenging themselves.

Bronze Level

Bronze **Training** day: ●

Held at our Avondale base, this training will equip students with the essential skills they need for their journey.

Two-Day Bronze Adventure: ● / ●

This journey can be used as either a **Practice** Journey or a **Qualifying** Journey, providing a hands-on experience in the great outdoors.

Silver Level

Two-Day Silver **Training & Practice** Journey: ●

A hands-on, combined experience in the bush, where students will develop and practice new skills while enjoying the great outdoors.

Three-Day Silver Journey: ● + ● / ●

This adventure can serve as both Silver **Training** and **Practice** Journey, or as a Silver **Qualifying** Journey, offering students an immersive and rewarding experience.

Gold Level

Two-Day Gold **Training & Practice** Journey: ● + ●

A dynamic and challenging adventure in the bush where students will test and sharpen their skills in the outdoors.

Four-Day Gold **Qualifying** Journey: ●

A fun and exciting expedition planned by the students! This journey can take the students anywhere within a 4-hour radius of Auckland, testing their skills and resilience!

Five-Day Epic Gold **Qualifying** Journey: ●

A thrilling, extended adventure anywhere in the North Island, offering students the ultimate test of endurance, skill, and an unforgettable, captivating experience.

Description The Bronze Training Day focuses on preparing the students for an overnight tramp. The Bronze Training is delivered in a workshop format at our base in Avondale with some time outside doing practical activities and some time inside. Students do not go tramping. Students need a raincoat and food for the day but do not need to bring all their tramping equipment. If you would like equipment checked you are welcome to bring it. We will send you a detailed info email ~10 days before the Bronze Training Day.	Select Addons

Once payment is completed, you'll receive a confirmation email with your booking receipt.

Public - Bronze Training - Avondale - RCr

Dear **Steph Mok**, we have successfully received your payment and have booked you in the event with following details

**Without payment, your booking will be marked as incomplete, and your name will not appear on our participant list for the event.*

Oh Man! What if none of the trips suit me?

That's no problem at all!

If you do not see events in our calendar that suit you, get in touch with us at dofe@adventureworks.co.nz and let us know what you need and when you need it.

We often organize other group trips that aren't listed on the booking calendar that you could join, or we can organise a custom event for you (minimum of five participants, or eight for a private event).

School Coordinators!

We currently work with several schools in Auckland to offer private group bookings for Training Days, Practice Journeys, and Qualifying Journeys.

We're happy to tailor these experiences to meet the unique needs of your students, all at a competitive rate.

If students are unable to attend an event that we have planned specifically for your school, they are welcome to attend our public events to stay up-to-date with the rest of the students.

If you're interested, we'd love to chat about how we can support your DofE program in a way that works best for your school.

We'd love the opportunity to work
